

LESSON PLAN

Date: Time: Focus for Lesson:

Lesson Plan No: of

This lesson plan is linked to Activity No: in “ideas for integrating ICT” Vol 4

Learning Intentions:

New Vocabulary Resources:

Time	Teacher Action	Pupils' Action / Pupils' Learning
<i>Introduction to Lesson</i>		
20 mins	Recap on previous learning task, and reflect on how well children found suitable sites. Describe how children can scan and read site information to find required facts/detail. Take account of headings, sub-headings and paragraph layout to help focus information retrieval. Show children how to copy and paste extracts to be used later for presentation. Show children how to work in different windows and move information they have found and stored. Once they have gathered information from previously selected sites check to see if a further web search is required.	Pupils scan and read through selected web-pages for necessary information. Can find bookmarked sites and down loaded pages. Children to be able to switch between internet and word processing document to be able to copy and paste information.
<i>Main part of Lesson:</i>		
30 mins	Pupils to work through selected web-sites. Begin to read, scan and set aside important information.	Children to work through the learning task, using copy and paste techniques to save information/text. Read through information they have gathered. Children to select, copy and paste relevant information into a word processing document. To save and file document. Carry out a further web search if more information is required.
<i>Plenary:</i>		
10 mins	Go through children's work. Begin to consider the reasons and results of occupation/settlement. Begin to think about how information might be presented for KS1 and KS2.	Ensure all relevant information is saved and stored effectively. Show children how to keep files with important information.

Homework opportunities: Children can look at other web sites to see how they might present their information.	Pupil Support: Class teacher working with small group/scaffold for some children to write research information.	Extension Activities: Find, save and store information on another subject or as a reading diary entry about a book/author.
