Time	Teacher Action	Pupils' Action / Pupils' Learning
<i>Introduction to Lesson</i>		
10 mins	Discuss that in this session we are to look at the world of the Greek Gods and the Greek alphabet. Tell the class that for this session it is up to them to be able to navigate the GridClub site and they will work in pairs to find the Greek section. Set the pupils off in pairs to find the Greek area.	Using prior learning to navigate a site and find the correct page.
<i>Main part of Lesson:</i>		
30 mins	The class are to navigate the Greek town and gather up any information that they find interesting from the info sections. Then they can play two games. One is about the Greek Gods and is a matching activity to match up the symbols to specific Greek Gods. The second activity is to use the Greek alphabet to work out codes. After the pupils have played this game they can devise their own code words for others to guess using the Greek alphabet.	Pupils independently working to navigate specific page and extract own information.
<i>Plenary:</i>		
10 mins	There can be a sharing of the codes that individual pupils have devised, playing a class guessing game of what the messages say.	Revising new learning and consolidation of ideas.

Homework opportunities: Write own name and address using the Greek alphabet.	Pupil Support: Teacher to support pupils who will find the literacy activity a challenge.	Extension Activities: Study the Greek alphabet in further detail and find Greek words still used in modern English.
