<i>Introduction to Lesson</i>		
<i>15 mins</i>	Open a 'new stack' on HyperStudio and save. Show a (different) group of 6 children where to find and how to open this stack. Briefly explain the different options of the menu bar. Open the 'Tools' menu and move to desk top. Explain the difference between the 'hand' and the 'arrow' icon.	In pairs pupils practise opening the stack and moving the 'Tools' menu to the side of the desk top.
<i>Main part of Lesson:</i>		
<i>30 mins</i>	Show the group how to create new cards and how to move from one to the other. Demonstrate how to add a graphic by selecting an image from the class folder, using the 'select' tool, and moving it to the first card of the stack.	Pupils add a new card to the stack and import the photograph of their artifact (working in pairs).
<i>Plenary:</i>		
<i>15 mins</i>	Go through the process of adding a new card and importing a graphic image. Follow prompts by the pupils of what to do next.	Pupils tell teacher what to do and make notes for a crib sheet.

Homework opportunities: Write crib sheet out neatly. Word process if possible.	Pupil Support: Crib sheet Pupils support each other.	Extension Activities:
