Lesson Plan No:  of

This lesson plan is linked to Activity No:  in “ideas for integrating ICT” Vol 4

Learning Intentions:

New Vocabulary  Resources:

Time	Teacher Action	Pupils' Action / Pupils' Learning
<i>Introduction to Lesson</i>		
5 mins	Ask the group of 6 (different) pupils to explain and demonstrate what they have learned about HyperStudio so far, i.e. how to add a new card and how to import a graphic object. Clarify any problems.	Pupils are reminded of their previous learning.
<i>Main part of Lesson:</i>		
40 mins	Demonstrate how to insert a new card after the picture card and how to create a text box through adding a text object. Emphasise that they must click on the 'hand' icon of the 'Tools' menu to enable them to type in text.	Pupils add the prepared information about their artifact. They use the spell check function.
<i>Plenary:</i>		
15 mins	Show pupils how to edit an object by clicking on the arrow in the 'Tools' menu and then on the object itself. Explain how to change font, size and colour of the text as well as the background colour. Discuss when you might want to have the 'scrollable' function and when it might be better to make the scroll bar invisible.  Explain what they are going to do in the next session.	

Homework opportunities: Think about how many buttons they will need and why.	Pupil Support: As before	Extension Activities:
